Dear Sir / Madam,

THE BURNS, WARSOP - PROPOSED NEW ENFORCEABLE BUS STOP CLEARWAY – NO STOPPING AT ANY TIME, EXCEPT BUSES - PUBLIC ADVERT

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, proposes to install a new bus stop shelter and create a new enforceable bus stop clearway at the following stop, and as shown on the attached plan: -

No Stopping At Any Time, except buses - 19 metre clearway

- The Burns, Warsop (MA0640)

Concerns have been raised about the lack of a recognised bus stop which limits accessibility for bus users along this section of The Burns. It is therefore proposed to install a new bus stop shelter and new bus stop clearway, which will prohibit other vehicles from parking or waiting in the bus stop at any time. This will be clearly identified with new road markings and signage. The main benefits of bus stop clearways are to:

- Help the bus align with the kerb to enable better access for disabled passengers and pushchair users;
- Ease congestion as a correctly aligned bus will not block the road for other road users;
- Ensure that bus drivers discharge their duty to drop passengers off on the kerb and not on the road;
- Ensure that bus services operate on time and are not unnecessarily delayed.

Any objections should clearly state the reasons for the objections and should reach us in writing, either by letter or email, by **Monday 4th January 2027**. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.
