NORMANTON ROAD, NORMANTON – PROPOSED 30 M.P.H SPEED LIMIT (TRO 3432) – PUBLIC ADVERT

Via East Midlands Ltd, is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire.

Nottinghamshire County Council has received requests to reduce the speed limit on Normanton Road, Normanton in order to improve road safety. An assessment of the existing speed limit has been carried out and it has been confirmed that the section of Normanton Road, between Corkhill Lane, Normanton and Mill Park, Southwell is suitable for a 30mph speed limit extension.

The advert will be published in the Newark Advertiser and notices will be displayed on site. A plan showing the proposals is attached (Drawing Number H/LF/5525/01) along with a copy of the site notice.

Any objections should clearly state the reasons for the objections and should reach us in writing, either by letter or email, by **31st December 2026**. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/
