The new 30mph speed limit will replace the current 40mph speed limit in Cromwell. The 30mph speed limit is in keeping with other villages in Nottinghamshire and is the speed limit recommended by the Department of Transport. The lower speed limit is the most appropriate for a built up area. It is proposed to extend the 30mph speed limit at the northern end of the village.

The Written objections (stating grounds and quoting ref. 3280) must be received by me by the **3rd day of August 2018**.
