Dear «sig1»

**A38 ALFRETON ROAD AT ITS JUNCTION WITH B6027 COMMON ROAD,
SUTTON IN ASHFIELD – PROPOSED U TURN PROHIBITION -
PUBLIC CONSULTATION (4254)**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce a ban on U turns on Alfreton Road (A38) at its junction with Common Road (B6027). The prohibition would be for west bound vehicles turning right off the A38 into the B6027. The ban will help to make the junction safer by removing this potentially dangerous manoeuvre. The number of vehicles making this manoeuvre has increased since the opening of the nearby fuel and food services area.

Before proceeding further, I wish to consider the views of businesses and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me in writing, either by letter (address at bottom of letter) or email, by **16th March 2020**.

Any details you provide will be shared with Nottinghamshire County Council as appropriate.

Yours «sig2»
