Date: 17 August 2023

Dear «Sig1»

**A57 WORKSOP BY PASS AT EXIT FROM B & Q DISTRIBUTION CENTRE–
PROPOSED NO RIGHT TURN PROHIBITION AND PROHIBITION OF ENTRY (TRO 1288) –
PUBLIC CONSULTATION**

Via East Midlands Ltd, is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. Following on from the initial consultation, that was carried out in June 2023, the proposals are now being publicly advertised with notices in the Nottingham Post and on site. The proposals are unchanged from those contained in the initial consultation.

As part of an accident reduction scheme it is proposed to introduce a no right turn prohibition for traffic turning right out of the exit to the B and Q Distribution Centre onto the A57 Worksop By-pass. In addition there would be a proposed prohibition of entry to stop vehicles from driving through the gap in the central reservation on the A57.

The proposed measures would remove the conflict between vehicles turning into and out of the Distribution Centre and stop vehicles from crossing the road in front of east bound traffic. The location and details of the restrictions are shown on the enclosed drawing (H/JAB/4128/01) and notice.

Before proceeding further with the proposed restrictions, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me by 20th September 2023.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/

Yours «Sig2»
