Written comments / objections (stating grounds and quoting ref. 8318A must be received by me by the **19<sup>th</sup> day of April 2023**.

The proposed speed limit would help reduce the speed of traffic on the A6006 at the junctions with Leake Lane, Loughborough Road, the entrance to Home Farm and the entrance to the Defence Medical Rehabilitation Centre. A new entrance into the centre is expected to increase the number of vehicles turning off and onto the A6006. The lower traffic speeds will give more time for drivers to react to turning vehicles.
