

**The Nottinghamshire County Council (A6006 Melton Road,
East Leake/Rempstone/Stanford on Soar)
(40 M.P.H. Speed Limit) Order 2021 (8318)**

NOTICE IS HEREBY GIVEN that the Nottinghamshire County Council proposes to make an Order under the Road Traffic Regulation Act 1984, as amended, Traffic Management Act 2004, as amended, and The Civil Enforcement of Parking Contraventions (County of Nottinghamshire) Designation Order 2008 (SI 2008 No. 1086), as amended, the effects of which will be to roads in East Leake, Rempstone and Stanford on Soar in the Borough of Rushcliffe:-

A6006 Melton Road

1. from a point 60 metres west of the centre line of its junction with Leake Lane in an easterly direction to a point 229 metres west of the centre line of its junction with Rempstone Road.

As a result of the impact of COVID-19 and in accordance with Public Health England's advice on social distancing and avoiding non-essential trips, public buildings such as County Hall and libraries are closed or if reopened will have restrictions in place.

In order to make relevant documents available for inspection they can either be:

- (a) Viewed online by visiting the County Council's website (consult.nottinghamshire.gov.uk)
- (b) By writing to the address below or by emailing tmconsultation@viaem.co.uk to request a copy and one will be sent out either via email or post if address provided.

The proposed speed limit would help reduce the speed of traffic on the A6006 at the junctions with Leake Lane, Loughborough Road, the entrance to Home Farm and the entrance to the Defence Medical Rehabilitation Centre. A new entrance into the centre is expected to increase the number of vehicles turning off and onto the A6006. The lower traffic speeds will give more time for drivers to react to turning vehicles.

The Written objections (stating grounds and quoting ref. 8318) must be received by me by the **24th day of February 2021.**
