Dear «sig1»

**A6075 TUXFORD ROAD, BOUGHTON - BETWEEN THE JUNCTIONS WITH MAIN ROAD AND
CHURCH ROAD – PROPOSED 30MPH SPEED LIMIT - (TRO 3296)**
PUBLIC CONSULTATION

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce a 30mph speed on Tuxford Road (A6075) between its junction with Main Road (B6387) and Church Road (near West View Farm). The new speed limit would replace the existing 40mph speed limit.

The road has residential properties directly accessed off the A6075 and there are several junctions along this length of road. The new speed limit will make it safer for vehicles turning onto and off the A6075. The proposed speed limit will mean that all the roads within the physical boundary of Boughton will have a speed limit of 30mph.

Before proceeding further, I wish to consider the views of residents, businesses and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me in writing, either by letter (address at bottom of letter) or email, by **2nd September 2019**.
