Dear Sir/Madam

A614 BAWTRY ROAD, BLYTH - 40MPH SPEED LIMIT ORDER (TRO 1227)

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council is proposing to introduce a new 40mph speed limit on Bawtry Road, Blyth. The higher speed limit, which would replace the existing 30mph speed limit, is being introduced as it would be more in keeping with the road type and location.

The proposals will be advertised in the Nottingham Post on Monday 5th November 2018 with notices displayed on site. A plan showing the extents of the proposed speed limit is attached (Drawing Number H/JE/2879/001) along with a copy of the site notice.

Before proceeding further, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time.

Any observations on these proposals should reach me in writing via letter or email by **Monday 3rd December 2018**.

Yours faithfully
