Dear,

A617 CHESTERFIELD ROAD NORTH, MANSFIELD – PROPOSED BUS STOP CLEARWAYS – NO STOPPING AT ANY TIME, EXCEPT BUSES - PUBLIC ADVERT

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, has received a request to implement six new enforceable bus stop clearways as part of a Section 278 agreement associated with a new development in the area. The proposed bus stop clearways are located at the stops listed below and shown on the attached plan.

No Stopping At Any Time, except buses - 19 metre clearway:

- A617 Mansfield Road North (North-East side) - MA0087, MA0079 and MA0592
- A617 Mansfield Road North (Soth-West side) - MA0072, MA0064 and MA0056.

As shown on drawing numbers H/SLW/5316/01 and H/SLW/5361/02. The advert will be published online (linked via the QR code below) and notices will be displayed out on site.

The bus stop clearways will be enforceable, which will prohibit other vehicles from parking or waiting in the bus stop at any time. This will be clearly identified with new road markings and signage. The main benefits of bus stop clearways are to:

- Help the bus align with the kerb to enable better access for disabled passengers and pushchair users.
- Ease congestion as a correctly aligned bus will not block the road for other road users.
- Ensure that bus drivers discharge their duty to drop passengers off on the kerb and not on the road.
- Ensure that bus services operate on time and are not unnecessarily delayed.

Any objections should clearly state the reasons for the objections and should reach us in writing, either by letter or email, by **2nd December 2026**. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.
Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/
