

PUBLIC TRANSPORT IMPROVEMENTS
A617 CHESTERFIELD ROAD NORTH, MANSFIELD
(Bus Stop Reference: MA0087 & MA0072)

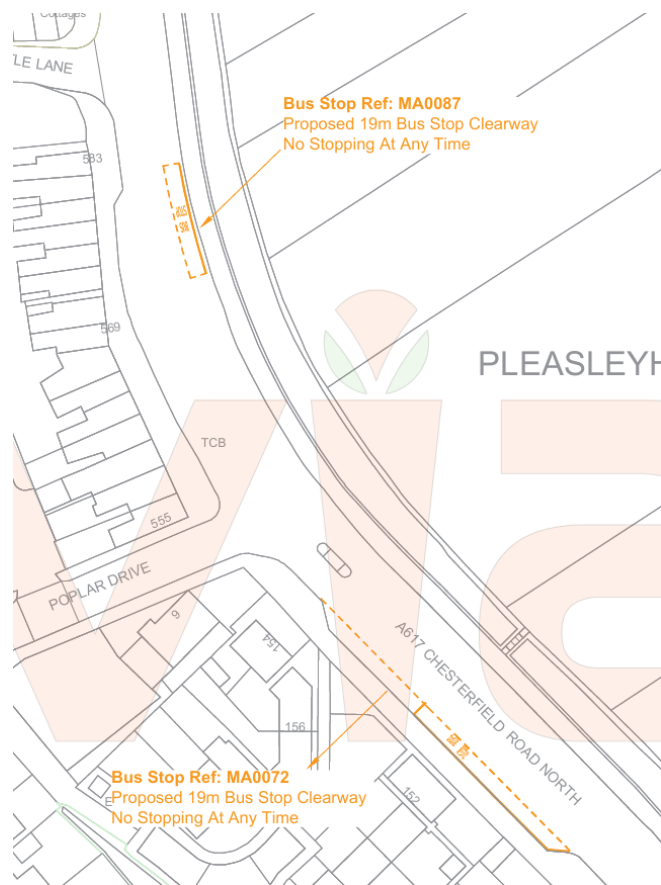

As part of Nottinghamshire County Council's on-going commitment to improve public transport in the County, we are making it more accessible for buses operating along the A617 Chesterfield Road North, Mansfield and are proposing that the locations below are now being formally recognised and enforceable with marked bus stop clearways.

The clearways will prohibit all vehicles except buses from parking or waiting At Any Time in the bus stop areas and will be clearly identified with new road markings and signage. As a result, the bus stops will be accessible for buses serving that stop during these times.

The work will, in summary, consist of:

Bus stop reference: - MA0072 – Proposed new 19 metre Bus Stop Clearway

Bus stop reference: - MA0087 – Proposed new 19 metre Bus Stop Clearway

Written objections either by letter or email to tmconsultation@viaem.co.uk (stating grounds and quoting the stop reference number and road name) must be received by **2nd December 2026**. Any details you provide may be shared with Nottinghamshire County Council as appropriate.
