

**PUBLIC TRANSPORT IMPROVEMENTS – ALFORD ROAD, WEST BRIDGFORD –
(Bus Stop Ref: RU0222 and RU0223)**

As part of Nottinghamshire County Council's on-going commitment to improve public transport in the County, we are making it easier for buses to stop in the West Bridgford area by introducing bus stop clearways at existing bus stops.

The clearways will prohibit all vehicles except buses from parking or waiting At Any Time in the bus stop area and will be clearly identified with new road markings and signage. As a result, the bus stops will be accessible for buses serving that stop during these times.

The work proposed will, in summary, consist of:

- **Bus stop ref RU0223** Relocate bus stop and install Bus Stop Clearway: No Stopping At Any time except buses
- **Bus stop ref RU0222** Install Bus Stop Clearway: No Stopping At Any time except buses

Written objections either by letter or email to tmconsultation@viaem.co.uk (stating grounds and quoting the stop reference number and road name) must be received by the **21st June 2019**.
