Dear «Sig1»

**ALLENBY ROAD, SOUTHWELL (BUS STOPS NS0498 AND NS0856) -
BUS STOP CLEARWAYS – NO STOPPING, EXCEPT BUSES**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce new bus stop clearways to the existing bus stops on Allenby Road outside No.s 9 – 13 and outside No.s 18 – 22.

The County Council works closely with all public transport operators across the County to identify bus stops that suffer from indiscriminate parking. At the locations listed above, bus stop clearways are to be installed that prohibit other vehicles from parking or waiting in the bus stop and these will be clearly identified with new road markings and signage. The bus stop clearway outside No.s 9 – 13 would be in force at all times and the one outside No.s 18 – 22 would be in force on Monday to Saturday between 7am and 7pm. The main benefits of bus stop clearways are to:

- Help the bus align with the kerb to enable better access for disabled passengers and pushchair users;
- Ease congestion as a correctly aligned bus will not block the road for other road users;
- Ensure that bus drivers discharge their duty to drop passengers off on the kerb and not on the road;
- Ensure that bus services operate on time and are not unnecessarily delayed.

Before proceeding further with the bus stop clearways, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me by **7th October 2019**.

All comments/objection should be sent to either the e-mail address or postal address below.

Yours «Sig2»
