Dear

BROOMHILL ROAD, HUCKNALL (O/S HAVANA HOUSE) - AMENDMENT TO EXISTING BUS STOP CLEARWAY – NO STOPPING AT ANY TIME, EXCEPT BUSES– PUBLIC CONSULTATION

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council proposes to amend the existing bus stop clearway marking on Broomhill Road, Hucknall, located outside Havana House. The new bus stop will be approximately 23 metres, in a north-easterly direction, further along Broomhill Road than the existing bus stop location. The new position will ensure that pedestrians waiting at the new zebra crossing will not be obscured by a waiting bus. The proposed new clearway will prohibit stopping by all vehicles, except buses and will be in force at all times. The location of the new marking is shown on the attached drawing H/JAB/4236/106. If you have any comments/objections on the new location of the bus stop clearway then please reply by letter or e-mail, details below.

The County Council works closely with all public transport operators across the County to identify bus stops that suffer from inconsiderate parking. At the locations listed above, bus stop clearways are to be installed that prohibit other vehicles from parking or waiting in the bus stop at the times specified and these will be clearly identified with new road markings and signage. The main benefits of bus stop clearways are to:

- Help the bus align with the kerb to enable better access for disabled passengers and pushchair users;
- Ease congestion as a correctly aligned bus will not block the road for other road users;
- Ensure that bus drivers discharge their duty to drop passengers off on the kerb and not on the road;
- Ensure that bus services operate on time and are not unnecessarily delayed.

Before proceeding further with the bus stop clearway, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me in writing by **15th January 2024**. Any details you provide may be shared with Nottinghamshire County Council as appropriate.
