

**Bus Stop clearway – Hucknall Lane, Hucknall – Bypass(AS0216)  
No stopping At Any Time except buses**

The County Council is to install a new bus stop clearway marking and sign on Hucknall Lane facing the Hucknall Car Boot. The clearway would prohibit stopping by all vehicles, except buses and would be in force At Any Time. The location of the new marking is shown on the drawing below. If you have any comments/objections on the new restriction then please reply by letter or e-mail, details below.

Written comments/objections must be received by me by the **13th day of November 2017**.

The clearway will help to ensure that the bus has unobstructed access to the raised kerbs allowing wheelchair users, the elderly and parents with pushchairs, level access onto and off the bus. A correctly aligned bus will not block the road for other road users and will help ease congestion.
