

-  200mm wide stop line
-  100mm Zig Zag Lining
-  Pedestrian Crossing
-  Thermoplastic
-  Inlaid Cored Studs

 34m Dimension of Zig Zags

Notes:

1. Standard Zig Zags are 17 meters from the start of the stop line to both the East and West directions
2. Approach Zig Zags coming from the East is 34 Meters. This extension is due to the double yellow restrictions that were put on there previously
3. Total Crossing width is 61 meters
