Dear «sig1»

**B6030 MANSFIELD ROAD, CLIPSTONE AND KINGS CLIPSTONE - BETWEEN CLIPSTONE  
AND KINGS CLIPSTONE – PROPOSED 50MPH SPEED LIMIT - (TRO 3308)  
PUBLIC CONSULTATION**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce a 50mph speed limit on the B6030 Mansfield Road between the existing 30mph speed limits in Clipstone and Kings Clipstone. The new speed limit would replace the existing National Speed Limit of 60mph. The lower speed limit will help to reduce the speed of the traffic approaching the existing 30mph speed limits and approaching the Cavendish Way roundabout.

The proposed speed would require the removal of the existing National Speed Limit signs and replacing them with new 50mph signs. There would be smaller 50mph repeater signs at regular intervals along the road.

Before proceeding further, I wish to consider the views of residents, businesses and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me in writing, either by letter (address at bottom of letter) or email, by **9<sup>th</sup> December 2019**.

Yours «sig2»
