Dear Sir/Madam

B6035 Forest Road and B6035 Sherwood Street, Market Warsop

Proposed Speed Limit Reduction to 40 M.P.H.

TRO 2228 - PUBLIC ADVERT (Amended Proposals)

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services.

It was previously proposed to reduce the speed limit of the derestricted length of Forest Road to 50mph between the A6075 Mansfield Road and a point just before the cluster of houses on Forest Road. From this point the speed limit was proposed to be reduced to 40mph up to the existing 30mph terminal signs on Sherwood Street.

As a result of the public consultation and further research, the proposal has been amended to reduce the speed limit to 40mph for the full length of Forest Road and up to the 30mph terminal signs on Sherwood Street as shown on drawing number H/JMR/3066/02.

The proposed speed limit is designed to improve road safety for all highway users.

Any observations on these proposals should reach me in writing, either by letter or email, by **17th January 2020**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Yours faithfully
