

**The Nottinghamshire County Council (B6045 Between Worksop and
Blyth in Blyth, Carlton in Lindrick and Hodsock)
(50 M.P.H. Speed Limit) Order 2022 (1276)**

Statement of Reasons

The lower speed limit is being introduced as part of an accident reduction scheme. The lower traffic speeds will give drivers more time to react to other vehicles especially at the junctions where vehicles are turning. The new limit will help reduce the speed of traffic approaching the existing 30mph speed limits in Blyth and Worksop. The speed limit would replace the existing National Speed Limit of 60mph.
