Dear «Sig1»

**ARNOLD LANE, GEDLING ACCESS ROAD, MAPPERLEY PLAINS AND SPRING LANE,  
ARNOLD, LAMBLEY AND MAPPERLEY - PROPOSED 30MPH SPEED LIMIT  
PUBLIC CONSULTATION – TRO 7248**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce a 30mph speed limit on Mapperley Plains from near its junction with Spring Lane to near its junction with Bailey Drive. The proposed speed limit would replace the existing 40mph speed limit. The proposed speed limit would join up with the recently introduced 30mph speed limit on Spring Lane and cover all the residential roads off Mapperley Plains, the Spring Lane mini roundabout and the new Gedling Access Road junction. The new lower speed limit would give more time for drivers to react to slowing and turning vehicles.

The proposals will be advertised and notices displayed on site. A plan showing the proposals (drawing number H/JAB/3871/01) is attached along with a copy of the site notice. The introduction of the lower speed limit would result in the removal of all the existing 40mph speed limit signs and all the 30/40 mph signs from the side roads off Mapperley Plains. The speed limit would be 30mph by virtue of the existing street lighting system.

Before proceeding further with the proposed 30mph speed limit, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me by **21<sup>st</sup> January 2022**.

All comments/objections should be sent to either the e-mail address or postal address below.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice:
