Dear Sir / Madam,

CARLTON ROAD, WORKSOP - PROPOSED RELOCATION OF BUS STOP - PUBLIC ADVERT

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. Concerns have been raised that the footway at the existing Bus Stop BA0742 is too narrow, making it difficult for passengers to safely wait for the bus, and for pedestrians trying to pass those that are waiting. It is therefore proposed to relocate this bus stop to the south, outside of Beech House Care Home. At the same time a new bus stop clearway is proposed which will prohibit other vehicles from parking or waiting in the bus stop. This will be clearly identified with new road markings and signage.

Further to the initial consultation letter of 24th June 2024, the next stage of the consultation is to publicly advertise the scheme. The advert will be published in the Nottingham Post and notices will be fixed on site. A plan showing the extents of the proposed restrictions is attached (Drawing Number H/JLB/4695/01) along with a copy of the site notice.

Any observations on these proposals should reach me in writing, either by letter or email, by **20th August 2024**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice:
