Dear «Sig1»

**BATH LANE, MANSFIELD
PROPOSED EXTENSION TO DOUBLE YELLOW LINES (NO WAITING AT ANY TIME) AND
REMOVAL OF PART OF AN EXISTING PARKING BAY
PUBLIC CONSULTATION – TRO 2255**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to extend the existing double yellow lines (no waiting at any time) by approx. 28 metres. The lines are located on Bath Lane between the junction with Shirburn Avenue and the entrance into Carr Bank Memorial Park. The extended double yellow lines would replace part of the existing parking bay (parking for 3 hours on Monday to Saturday between 8am and 6pm). The proposed double yellow lines are being introduced as part of works to construct a new build out and refuge. These works are associated with the new development located on the southern side of Bath Lane. The new lines would help ensure that parked vehicles do not obstruct the view of pedestrians waiting to cross the road.

The positions of the new restrictions are shown on the attached plan and notice.

Before proceeding further with the proposed changes to the double yellow lines and parking bay, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me by **20th January 2023**.

All comments/objections should be sent to either the e-mail address or postal address below.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/

Yours «Sig2»
