Dear «sig1»

**BELVOIR ROAD, CHANDOS STREET, CLUMBER AVENUE AND MIDLAND GROVE,
NETHERFIELD – PROPOSED DOUBLE YELLOW LINES
PUBLIC CONSULTATION - TRO 7242**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce double yellow lines (no waiting at any time) to the junctions of Chandos Street/Belvoir Road, Chandos St/Clumber Ave and Chandos St/Midland Grove. The restrictions are intended to keep the junctions clear of parked vehicles to give better visibility for vehicles turning onto or off Chandos Street. In addition the restrictions will allow an unobstructed route for pedestrians, especially local school children, across the road.

The extends of the proposals are shown on the enclosed plan and notice.

Before proceeding further with the proposed double yellow lines, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me by **18th August 2021**.

All comments/objection should be sent to either the e-mail address or postal address below.
