Dear

**PROPOSED HUMPED ZEBRA CROSSING ON BINGHAM ROAD RADCLIFFE ON TRENT –
PUBLIC NOTIFICATION**

The consultation for this scheme was originally advertised in March 2020. The consultation was stopped due to the initial restrictions imposed by the coronavirus measures which reduced opportunities for members of the public to comment on the proposal.

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to install a new Zebra crossing on a new raised ramped plateau on Bingham Road, Radcliffe on Trent, approximately 29 metres east of its junction with New Road. The crossing will provide a safer crossing point for pedestrians crossing the road and is being installed as part of the planning conditions for the new housing on Shelford Road. The location is shown on the attached drawing (H/SLW/3364/01) and notice. The proposed zebra crossing will consist of a controlled zone (length of white zig-zag lines) where waiting and loading will be prohibited at all times.

All responses received as part of the original consultation will be taken forward and will be reported through the County Council's procedures.

Any observations on these proposals should reach me in writing, either by letter or email, by **24th July 2020**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time. Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/
