PROPOSED ZEBRA CROSSING ON BINGHAM ROAD RADCLIFFE ON TRENT – PUBLIC NOTIFICATION

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to install a new zebra crossing on a new raised ramped plateau on Bingham Road, Radcliffe on Trent, approximately 29 metres east of its junction with New Road. The crossing will provide a safer crossing point for pedestrians crossing the road and is being installed as part of the planning conditions for the new housing on Shelford Road. The location is shown on the attached drawing (H/SLW/3364/01) and notice. The proposed zebra crossing will consist of a controlled zone (length of white zig-zag lines) where waiting and loading will be prohibited at all times.

Any observations on these proposals should reach me in writing, either by letter or email, by **3rd April 2020**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time. Any details you provide may be shared with Nottinghamshire County Council as appropriate.
