

The Nottinghamshire County Council (Blidworth Lane, Rainworth)
Restricted Road and 40 M.P.H. Speed Limit Order 2023 (2261)

Statement of Reasons

The proposed 30mph speed limit (a restricted road due to the presence of a system of street lights) and 40mph speed limit are being introduced to reduce the speed of traffic on Blidworth Lane as they pass the junctions for the new housing development off Blidworth Lane. The reduced speeds will give drivers more time to react to vehicles turning into the new developments.
