

**The Nottinghamshire County Council (Bonner Hill, Calverton and Foxwood  
Lane, Woodborough) (50 M.P.H. Speed Limit)  
Order 2021 (7237)**

**NOTICE IS HEREBY GIVEN** that the Nottinghamshire County Council proposes to make an Order under the Road Traffic Regulation Act 1984, as amended, the effects of which will be to roads in Calverton and Woodborough in the Borough of Gedling:-

No person shall drive any vehicle at a speed exceeding 50 miles per hour on the following lengths of road:-

Bonner Hill and Foxwood Lane

1. from a point 107 metres south of its junction with Church Meadow (Calverton) in southerly and then a south-easterly direction to a point 236 metres north-west of its junction with Bank Hill (Woodborough).

As a result of the impact of COVID-19 and in accordance with Public Health England's advice on social distancing and avoiding non-essential trips, public buildings such as County Hall and libraries are closed or if reopened will have restrictions in place.

In order to make relevant documents available for inspection they can either be:

- (a) Viewed online by visiting the County Council's website ([consult.nottinghamshire.gov.uk](http://consult.nottinghamshire.gov.uk))
- (b) By writing to the address below or by emailing [tmconsultation@viaem.co.uk](mailto:tmconsultation@viaem.co.uk) to request a copy and one will be sent out either via email or post if address provided.

The proposed 50mph speed limit is intended to reduce the speed of traffic to reflect the bendy and hilly nature of the road. The lower speed limit will help make the road safer for cyclists, horse riders and pedestrians. Reduced traffic speeds will give more time for drivers to react to vehicles turning onto or off Bonner Hill or Foxwood Lane.

The Written objections (stating grounds and quoting ref. 7237) must be received by me by the **6th day of April 2021**.
