Dear

BRAMCOTE LANE, CHILWELL – PROPOSED ZEBRA CROSSING – PUBLIC ADVERT

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. Nottinghamshire County Council have received requests to install a Zebra crossing on Bramcote Lane, Chilwell at the existing refuge north of Bramcote Avenue, to assist pedestrians crossing the road in order to access the shops and bus stops.

It is therefore proposed to install a zebra crossing, which will make it safer and help pedestrians cross the road especially children trying to attend the school college as well as elderly on the way to the shops. The zebra crossing would include lengths of zig-zag lines where parking, stopping and loading would be prohibited at all times.

Further to the initial consultation letter of 1st August 2024, the next stage of the consultation is to publicly advertise the scheme.

As required under Section 23 of the Road Traffic Regulation Act 1984 (zebra crossing) I hereby enclose for your attention the statutory public notice stating the County Council's intention to introduce the zebra crossing. The proposals are shown on the attached drawing H/SLW/4701/01. The notice will be published in the Nottingham Post and notices will be fixed on site

Any observations on these proposals should reach me in writing, either by letter or email, by **31st December 2024**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/
