It is proposed to reduce the speed limit from 30 mph to 20 mph along Exchange Road from its junction with Manvers Road to its south-eastern extremity and Carnarvon Road from its junction with Exchange Road to its junction with Stanley Road. Any observations on these proposals should reach me in writing, either by letter or email, by **Friday 14th February 2020**. If your comments are in the form of an objection to the proposals please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time. Any details you provide will be shared with Nottinghamshire County Council as appropriate.
