Dear Sir or Madam,

**DENNIS AVENUE BEESTON – PROPOSED AMENDMENT TO BUS STOP CLEARWAY TIMES
NO STOPPING MON – SAT 9AM – 4PM – PUBLIC ADVERT**

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire.

Further to the initial consultation letter of 3rd December 2024, the next stage of the consultation is to publicly advertise the scheme. Notices will be fixed on site containing the proposed advert plan. Plans showing the proposed revised timings of the Bus Stop Clearways to be in operation **Monday to Saturday 9am-4pm** are attached. (Drawing Number H/FR/4864/01, 02) along with copies of the Site Notices.

The County Council works closely with all public transport operators across the County to identify bus stops affected by inconsiderate parking. On Dennis Avenue, an enforceable bus stop clearway will prohibit other vehicles from parking **Monday to Saturday 9am-4pm** at this bus stop, and this will be clearly identified with new signage at the bus stops. The main benefits of bus stop clearways are to:

- Help the bus align with the kerb to enable better access for disabled passengers and pushchair users;
- Ease congestion as a correctly aligned bus will not block the road for other road users;
- Ensure that bus drivers discharge their duty to drop passengers off on the kerb and not on the road;
- Ensure that bus services operate on time and are not unnecessarily delayed.

Any objections should clearly state the reasons for the objections and should reach us in writing, either by letter or email, **by 30th January 2025**. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/

Yours faithfully,
