Dear «Sig1»

DEVONSHIRE STREET, WORKSOP – PROPOSED DOUBLE YELLOW LINES (NO WAITING AT ANY TIME) AND BUS STOP CLEARWAY – PUBLIC CONSULTATION – TRO 1278 (REVISED)

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to re-advertise the parking restrictions that were originally consulted on during September and October 2022. After receiving many objections to the original proposals the revised scheme includes a length of double yellow lines (no waiting at any time) and a bus stop clearway located outside the school. The double yellow lines are intended to stop parking at the narrowest part of the road to make it easier for larger vehicles i.e. refuse lorry to drive along Devonshire Street. The proposals will also help ensure that the area outside the school is kept clear of parked vehicles during the school day.

The location of the proposed revised restrictions is shown on the attached plan and notice.

Before proceeding further with the proposed revised parking restrictions, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me by **25th October 2023**.

All comments/objections should be sent to either the e-mail address or postal address below.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice:
