The proposed double yellow lines are intended to keep the junction clear of parked vehicles. The residents permit parking only bays are located outside the residential properties to give the residents the opportunity to park during the day. The dual use parking bays are intended to remove all-day parking whilst still giving space for permit holders and short stay parkers (for up to 2 hours). Waiting on Monday to Friday between 8.30am and 4.30pm will be prohibited across all the driveways on Earp Avenue between Bowbridge Rd and Hatton Gardens. The school keep clear markings already exist on site, this Order is to correct anomalies in the existing legal Order.

Written objections (stating grounds and quoting ref. 3269) must be received by me by the **24th day of November 2017.**
