Dear «sig1»

**GEDLING ACCESS ROAD – PROPOSED TRAFFIC REGULATION ORDERS  
PUBLIC CONSULTATION**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce various Traffic Regulation Orders (TROs) and 2 signalled controlled crossings as part of the Gedling Access Road (GAR) scheme. The GAR is a new road linking Mapperley Plains (B684) with Trent Valley Road (A612). The road will reduce the traffic flows through Gedling village and provide access to new housing land located between the GAR and Arnold Lane. The proposed TROs are summarised below:-

- TRO 7220 – **No waiting at any time** restrictions on Lambley Lane and Mapperley Plains. 24 hour carriageway **clearway** on part of Arnold Lane and on GAR.
- TRO 7221 – **No right turns** on Plains Road and GAR. **No U turns** at GAR/Trent Valley Road junction. **Prohibition of motor vehicles** on the old alignment of Lambley Lane. **Left turn only** from Bailey Drive and Swindell Close.
- TRO 7222 – Alter boundary of the existing Calverton, Lambley and Woodborough **7.5T weight limit Order**.
- TRO 7223 – New 30mph **speed limits** on parts of GAR and Arnold Lane. New 40mph speed limit on parts of GAR.
- TRO 7224 – New **7.5T weight limit** around the Gedling village area (to include Arnold Lane).

The locations of the proposed TROs are shown on the enclosed drawings HW00590/TRO/01 to 08 and on the attached notices.

In addition to the above Orders it is proposed to introduce a signalled controlled pedestrian puffin crossing and a signal controlled pedestrian/cycle toucan crossing on the Gedling Access Road. The puffin crossing would be to the south-east of the junction with Lambley Lane and would provide a crossing point for the new alignment of Carlton footpath No.2. The toucan crossing would be to the south-east of the Gedling Access Road/Waldrom Road roundabout and provide a link between the Gedling Country Park and the housing development off Waldrom Road. The crossings would have controlled zones (zig-zag lines) where waiting and stopping would be prohibited.

Due to the restrictions imposed by the coronavirus measures the consultation documents can not currently be deposited at the local library or County Hall as the regulations require us to do. The Government have relaxed this requirement and so a full set of consultation documents can instead be viewed on either the Nottinghamshire County Council website or they can be sent to you by post or e-mail on request.

Before proceeding further, I wish to consider the views of residents, businesses and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me in writing, either by letter (address at bottom of letter) or email, by **7<sup>th</sup> September 2020**.

Yours «sig2»
