

**PUBLIC TRANSPORT IMPROVEMENTS
RAMSEY DRIVE, ARNOLD
(Bus Stop Reference: GE0404, GE0421)**

As part of Nottinghamshire County Council's on-going commitment to improve public transport in the County, we are making it easier for buses to stop in Arnold and are proposing that the locations below are now being formalised.

The formalisation and relocation of these bus stops are to help buses access these stops more easily and prevent stopped buses from causing safety concerns. The introduction of RTI bus stop poles and raised boarding kerbs will make the bus stops clearly identifiable to all, as well as making boarding and alighting the buses easier for elderly and disabled people.

The work proposed will, in summary, consist of:

Bus stop reference: GE0404 – Relocation, new bus stop pole, new raised boarding kerbs

Bus stop reference: GE0421 – Relocation, new bus stop pole, new raised boarding kerbs

Written objections must be sent in either by letter or email to tmconsultation@viaem.co.uk (stating grounds and quoting the stop reference number and road name) must be received by the **28th May 2026**. Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/.
