The following length of **Halam Road** at Southwell in the District of Newark and Sherwood shall have a speed limit of 30mph

The extended speed limit would incorporate the new housing development being built on the corner of Halam Road and Allenby Road. The new limit would ensure that all the roads within the physical limit of Southwell have a 30mph speed limit. The lower speed limit is considered the most appropriate for a built up urban area.

The Written objections (stating grounds and quoting ref. 3303) must be received by me by the **7th day of October 2019**.
