

The Nottinghamshire County Council (Hamilton Road, Sutton in Ashfield) (40 M.P.H. Speed Limit) Order 2020 (4260)

Statement of Reasons

The proposed 40mph speed limit will replace the current National Speed Limit (60mph) on Hamilton Road. The speed limit is being introduced as part of the Summit Park development. The new limit would be an extension of the existing 40mph speed limit which is currently in force between the Hamilton Way roundabout and the 30mph speed limit on Hermitage Lane.
