Dear «sig1»

**HARDIGATE ROAD AND RADCLIFFE ROAD, CROPWELL BUTLER – PROPOSED 30MPH  
SPEED LIMIT EXTENSION - PUBLIC CONSULTATION – TRO 8344**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce extensions to the existing 30mph speed limits on Hardigate Road and Radcliffe Road in Cropwell Butler. On Hardigate Road the speed limit would be extended to the position of the existing village name sign. On Radcliffe Road the speed limit would be extended by approximately 30 metres. In addition the existing village name sign would be moved from its current position to the new position of the 30mph signs.

The proposed speed limit extensions are being introduced to help reduce the speed of traffic entering the village. The works for the new speed limit would result in the speed limit signs and village name signs being placed at the same locations.

Details of the proposals are shown on enclosed drawing H/JAB/4004/01 and notice.

Before proceeding further with the proposed 30mph speed limit, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me by **26<sup>th</sup> September 2022**.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice:
