

**The Nottinghamshire County Council (Harstoft Avenue,
Worksop) (Prohibition of Waiting) Traffic Regulation Order
2020 (1241)**

STATEMENT OF REASONS

Following an informal consultation with residents by Councillor Rhodes, it has become apparent that the restrictions that are currently in place to combat college parking are excessive and residents on Harstoft Avenue would like a change.

The operating hours of the restrictions will be reduced to offer residents additional parking in the early morning and evening without damaging the impact the existing markings have had on current parking by non-residents all day.

The new restrictions will change to Monday to Friday 10am to 4pm from 8am to 8pm.
