Dear «sig1»

**HARTLAND DRIVE , SEATON WAY, SHALDON CLOSE AND SPRING LANE, MAPPERLEY  
PROPOSED DOUBLE YELLOW LINES (NO WAITING AT ANY TIME) (TRO 7236)  
PUBLIC CONSULTATION**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce double yellow lines (no waiting at any time) restrictions on Hartland Drive, Seaton Way, Shaldon Close and Spring Lane. The extents of the proposed lining have been decided after consideration of the responses received from residents during the initial consultation which took place at the end of 2020. The proposed restrictions are intended to keep bends and junctions clear of parked vehicles to allow the safe passage of vehicles.

The double yellow lines are being proposed because of increased obstructive parking associated with the adjacent Gedling Country Park. The lines are concentrated around the pedestrian entrances into the Country Park.

The extents of the proposed lining are shown on the attached drawing (H/JAB/3600/10) and notice.

Before proceeding with this consultation, I wish to consider any views of residents, businesses and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me in writing, either by letter (address at bottom of letter) or email, by **26th March 2021**. Please state clearly in your response if you are objecting to the proposals.
