Dear

Proposed 30mph Speed Limit (TRO 3319)

KERSALL, NEWARK

PUBLIC ADVERT

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services. It is proposed to reduce the speed limit from 60 mph to 30 mph along Kersall to Laxton Road and Maplebeck Lane at Kersall, from a point 90 metres north-east of Mill Lane, Kersall, in a south-westerly direction to a point 175 metres south-west of its junction with Wood Lane and along Wood Lane to its south-eastern extremity.

The proposed speed limit will help to improve road safety around the bends and at the junctions of Kersall and vehicle entrances on Mill Lane and Wood Lane.

The proposals will be advertised along with notices displayed on site. A plan showing the proposals (drawing number H/MN/3536/01) is attached along with a copy of the site notice.

Any observations on these proposals should reach me in writing, either by letter or email, by **Friday 6th November 2020**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate.

Yours

Mark Newton
