Dear

Proposed Parking Restrictions (TRO 3309)

Normanton Road, Mill Park, Riverside and Station Road, Southwell

PUBLIC ADVERT

Via East Midlands Ltd, is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. Concerns have been raised about obstructive parking at the junctions of Normanton Road with Mill Park and Riverside with Station Road, Southwell. This reduces visibility for drivers and pedestrians using the junctions and adversely affects the effective operation of the highway.

To help alleviate these problems it is proposed to introduce 'No Waiting At Any Time' restrictions (Double Yellow Lines) around the junctions as shown on drawing number H/MN/3285/01. Before proceeding further, I wish to consider the views of residents, businesses and organisations who may be interested in this matter.

Any observations on these proposals should reach me in writing, either by letter or email, by **28th February 2020**. If your comments are in the form of an objection to the proposals please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time. Any details you provide will be shared with Nottinghamshire County Council as appropriate.

Yours

Mark Newton
