Dear Sir/ Madam

**Bullpit Road and Wolfit Avenue, Balderton**

**Proposed Double Yellow Lines (TRO 3310) and Bus Stop Clearways- PUBLIC ADVERT**

Via East Midlands Ltd. is working on behalf of Nottinghamshire County Council (NCC) to deliver highway services in Nottinghamshire. NCC works closely with all public transport operators across the county to identify bus stops and bus routes that suffer from obstructive parking. It has been reported that the buses on Stagecoach Service 3 regularly have difficulty manoeuvring around the Bullpit Road/Wolfit Avenue junction and accessing the bus stops in the vicinity due to parked vehicles.

To address these issues, the following is proposed, as shown on drawing number H/MN/3285/01:

- Introduce 'no waiting at any time' restrictions (double yellow lines) around the Bullpit Road/Wolfit Avenue junction.
- Change the 'Both Ways' bus stop (NS0708 and NS0071) on Wolfit Avenue into separate bus stops with a pole on each side of the road.
- Introduce bus stop clearways (no stopping at any time except buses) at bus stops NS0275, NS0708 and NS0071. The clearways would be clearly identified with new road markings and signs.
- Introduce 'School Keep Clear' markings (No Stopping Monday to Friday between 8am and 4.30pm)
- The existing School Keep Clear markings will be retained.

Before proceeding further, I wish to consider the views of residents, businesses and organisations who may be interested in this matter. Any observations on these proposals should reach me in writing, either by letter or email, by **6<sup>th</sup> March 2020**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time. Any details you provide will be shared with Nottinghamshire County Council as appropriate.

Yours faithfully
