Dear

Proposed permanent 7.5T weight restriction on Gorsethorpe Lane, Kings Clipstone

Public Advert (TRO 3325)

Via East Midlands Ltd, is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. The County Council has received a request to reduce the existing Weight Limit from 18T to a 7.5T Environmental Weight Restriction on Gorsethorpe Lane, Kings Clipstone. This change will provide consistency of restrictions in the local area to prevent the use of an unsuitable rural and village highway network by HGV through-traffic.

To address this request, it is proposed reduce existing 18T Weight Limit Order to a 7.5T Environmental Weight Restriction, on Gorsethorpe Lane from its junction of A6075 Mansfield Road in a south-easterly direction to its junction with B6030 Main Road, Kings Clipstone. Exemptions will apply to vehicles requiring access to premises within the restricted lengths of roads. The proposals are shown on drawing number H/MN/3648/01.

Any observations on these proposals should reach me in writing, either by letter or email, by **26th February 2021**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time. Any details you provide will be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/

Yours
