Dear Sir / Madam

**WATNALL ROAD, HUCKNALL - PARKING PLACES AND BUS STOP CLEARWAY
(TRO 4330)**

Via East Midlands Ltd, is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. Concerns have been raised about the accessibility of bus stops for pedestrians, and buses being unable to properly use the stops or align with the boarding kerbs due to parked vehicles on Watnall Road in Hucknall.

To address this issue, it is therefore proposed to reduce the parking bay along the road and install an enforceable 15 metre bus stop clearway at the north-eastern end of the parking bay as shown on drawing number H/NG/5334/02. This will prohibit other vehicles from parking or waiting in the bus stops at any time which will be clearly identified with new road markings and signage. The main benefits of bus stop clearways are to:

- Help the bus align with the kerb to enable better access for disabled passengers and pushchair users;
- Ease congestion as a correctly aligned bus will not block the road for other road users;
- Ensure that bus drivers discharge their duty to drop passengers off on the kerb and not on the road;
- Ensure that bus services operate on time and are not unnecessarily delayed.

Any objections should clearly state the reasons for the objections and should reach us in writing, either by letter or email, by **15th July 2026**. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.
