Dear

PROPOSED ZEBRA CROSSING ON HICKINGS LANE, STAPLEFORD – PUBLIC NOTICE

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services. It is proposed to introduce a new zebra crossing on Hickings Lane, Stapleford approximately 40 metres north-east of Washington Drive, as shown on the attached drawing (H/SLW/3207/01) and site notice. The crossing will provide a safer crossing point for pedestrians crossing to the shops.

The proposed crossing will consist of a controlled zone (length of white zig-zag lines) where waiting and loading will be prohibited at all times. On the north-western side of the road, the zig-zag lines (no waiting and no loading at any time) will replace the existing double yellow lines (no waiting at any time).

Before proceeding further, I wish to consider the views of residents, businesses and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me in writing, either by letter (address at bottom of letter) or email, by **17th September 2019**.

Yours
