Dear «sig1»

**STANDHILL ROAD/HIGHFIELD DRIVE, CARLTON –
PROPOSED DOUBLE YELLOW LINES (NO WAITING AT ANY TIME) (TRO 7227)
PUBLIC CONSULTATION**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce double yellow lines (no waiting at any time) at the junction of Highfield Drive and Standhill Road, Carlton. The restrictions are intended to replace the existing white line and “PATROL” markings at the junction of Highfield Drive and Standhill Road. The double yellow lines will help ensure that vehicles do not park in the vicinity of the junction. The removal of parked vehicles will give an unobstructed route for pedestrians, especially children attending the school on Standhill Road. Vehicles turning out of Highfield Drive will have a better view of traffic on Standhill Road.

The details of the proposals are shown on the enclosed plan and notice.

Before proceeding with this consultation, I wish to consider any views of residents, businesses and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me in writing, either by letter (address at bottom of letter) or email, by **17th July 2020**.
