As a result of the impact of COVID-19 and in accordance with Public Health England's advice on social distancing and avoiding non-essential trips, public buildings such as County Hall and libraries are closed or if reopened will have restrictions in place.

In order to make relevant documents available for inspection they can either be:

- (a) Viewed online by visiting the County Council's website (consult.nottinghamshire.gov.uk)
- (b) By writing to the address below or by emailing tmconsultation@viaem.co.uk to request a copy and one will be sent out either via email or post if address provided.

The proposed restrictions are intended to remove parked vehicles to allow the passage of larger vehicles, especially the new bus service which is to be introduced on Kenbrook Road. The restrictions will also ensure that pedestrians will have an unobstructed route across the road at the junctions. The single yellow line will keep this side of the road clear of obstructions during the day when the bus service is in operation. On-street parking would be available during the evening and overnight.

Written objections (stating grounds & quoting ref.4266) must be received by me by the **20th November 2020**.
