

The Nottinghamshire County Council (Kilton Hill, Worksop)
(Prohibition of Waiting) Order 2020 (1238)

STATEMENT OF REASONS

Due to inconsiderate parking preventing cars from exiting the private car park outside the Kilton Hill shops, No Waiting at any Time will be introduced across the length of the shops vehicle access to improve accessibility.

This will also improve the safety of the zebra crossing on this road as visibility will not be hindered by parked cars on the exit to the crossing.
