Dear Sir / Madam,

LEVERTON ROAD, RETFORD - PROPOSED TOUCAN CROSSING - PUBLIC ADVERT

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. Nottinghamshire County Council have received requests to install a Toucan Crossing on Leverton Road, Retford, approximately 23m east of Lidget Lane opposite Balk Fields Recreation Ground entrance. The proposed Toucan Crossing would improve pedestrian access to the nearby playground and provide a crossing for cyclists travelling north-south between Lidget Lane and Alma Road.

It is therefore proposed to install a Toucan Crossing, which will have a controlled area, indicated by zig-zag markings, along the carriageway where parking and loading will be prohibited.

As required under Section 23 of the Road Traffic Regulation Act 1984 (toucan crossing), I hereby enclose for your attention the statutory public notice stating the County Council's intention to introduce the toucan crossing on Leverton Road, Retford.

Further to the initial consultation letter of the 18th November 2024, the next stage of the consultation is to publicly advertise the scheme. The advert will be published in the Retford Times and notices will be fixed on site. A plan showing the extents of the 'No Stopping or No Loading At Any Time' restrictions (Zig-Zag lines) is attached (Drawing Number TP2450398-VIA-HGN-DR-CH-CP) along with a copy of the site notice.

Any observations on these proposals should reach me in writing, either by letter or email, by **23rd January 2025**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.
