Dear Sir / Madam

Proposed Parking Restrictions (TRO 5282)

LILAC CRESCENT & LILAC GROVE (NORTH EAST JUNCTION), BEESTON – PUBLIC ADVERT

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services. It is proposed to install new double yellow lines, including part of the existing single yellow lines at the junction of Lilac Grove and Lilac Crescent to address instances of obstructive parking that are causing visibility issues at the junction.

The proposals will be advertised, and notices displayed on site. A plan showing the proposals (Drawing number H/GC3336/01) is attached, along with a copy of the site notice.

Any observations on these proposals should reach me in writing, either by letter or email, by **14th February 2020**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Yours faithfully
